

product care

BRASS

Brass is lacquered lightly to seal and prevent patinas. Dust gently with a duster or soft rag. Do not use commercial cleaners. A clean soft damp rag may also be used.

COPPER

Copper is lacquered lightly to seal and prevent patinas. Dust gently with a duster or soft rag. Do not use commercial cleaners. A clean soft damp rag may also be used.

STEEL

Steel is lacquered lightly to seal and prevent patinas. Dust gently with a duster or soft rag. Do not use commercial cleaners. A clean soft damp rag may also be used.

PVC

Use a feather duster, a clean soft white cloth, or vacuum with a clean soft brush attachment as needed. For stubborn stains, clean the surface using a clean soft white absorbent cloth with a solution of mild soap and warm water. Wipe down surfaces with the damp cloth and dry with a clean soft white cloth.

Make sure cleaning materials are free of grit and other foreign materials. Avoid using glass cleaners, abrasive cleaning compounds, ammonia, or bleach; they may damage the surface of the plastic and result in discoloration.

GLASS

For recycled handblown glass, wipe gently with a soft, clean cloth moistened with warm water: "isocol" rubbing alcohol may alternatively be used. For frosted or etched glass, dust gently with a duster or soft rag. Do not scrub frosted glass. Removable shades can be washed carefully in warm to hot water in the sink with minimal cleaning solution.

BARRO NEGRO

Use a soft rag or a clean soft white cloth with diluted clear or white cleaning solution. Another option is to vacuum with a clean soft brush attachment as needed.

ONYX

Use a soft rag, a clean soft white cloth, or vacuum with a clean soft brush attachment as needed, do not wipe wet.

TALAVERA

For talavera shades, use a soft rag with diluted clear or white cleaning solution, or dust gently with a duster or soft rag.

WOOD

Dust with a slightly damp, soft, lint-free cloth. Wipe dry with a soft cloth in the direction of the wood grain.

Twice a Year:

Apply a good quality furniture polish with a soft cloth. Do not use aerosol-powered cleaners or polishes. Also, do not use polishes containing waxes or abrasives, or polishes that are oil based.

CANTERA ROSA

Use a feather duster, a clean soft white cloth, or vacuum carefully avoiding to scrape the surface, do not wipe wet.

FIORITO, TRAVERTINE AND RECINTO

Use a feather duster, a clean soft white cloth, or vacuum carefully avoiding to scrape the surface, do not wipe wet.
