

Ambra Wall Round

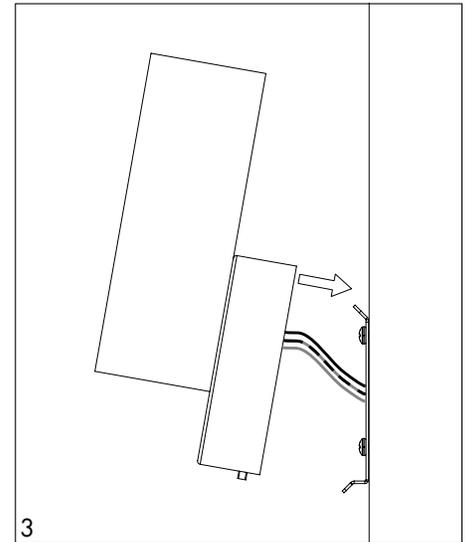

assembly and mounting instructions

1 Fix the mounting plate to the wall with dowels and screws.

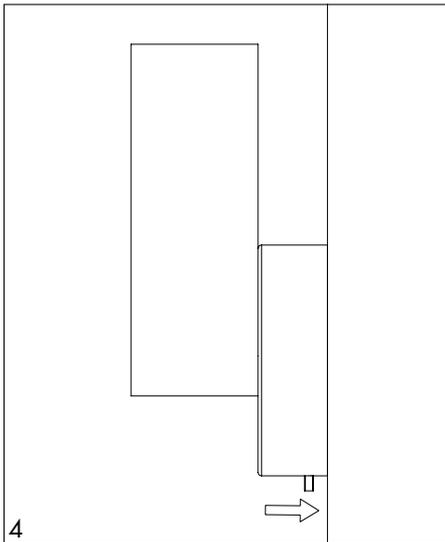

2 Connect to electricity using the terminal block.

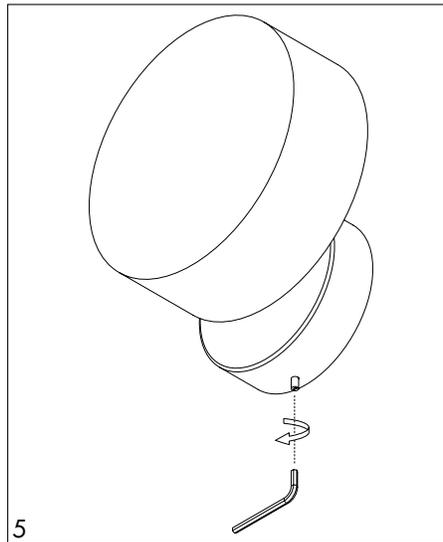

3 Insert the canopy into the mounting plate.

Warning: Disconnect the power by turning off the circuit breaker, or by removing the fuse in the fuse box before assembling and mounting the canopy.

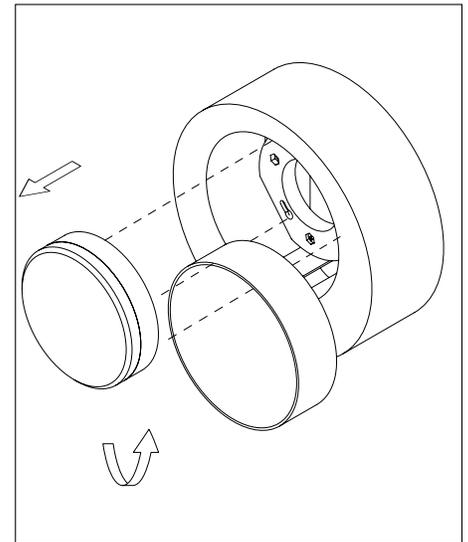

4 Place the lamp into the wall.

5 Fix the lamp with the allen screw into the mounting plate.

Bulb change

Spin off the bulb and then extract it from the socket.

safety instruction

Lamp suitable only for indoor use. The electrical connections must be carried out by specialized personnel. If this electrical wire or cord is damaged, it should be replaced exclusively by the manufacturer, its technical team or someone with an equivalent qualification in order to avoid any risk. The manufacturer is not responsible for improper use of the product.

product care

Powder coated
Dust gently with a duster or soft cloth. Do not use commercial cleaners. A clean soft damp rag may also be used.

Cantera
Use a feather duster, a clean cloth, or vacuum with a clean brush attachment, do not wipe wet.
